

Industry form No. ZPP-47
Approved by order of the RGIS No. 29,

Reverse side of ZPP-47 form

Organization **Grainrus Agro, LLC**

GRAIN ANALYSIS SHEET No. 2501

Dated April 15, 2021

Kind of grain maize Harvest 2021

Sample taken by Mitrokhina Yu. I.
(surname, initials)

Sample taken in accordance with GOST GOST 13586.3-2015

Date of sampling 15.04.2022

Sampling site _____ Sample weight 2000 g

Departure station (port, pier) dept. Oreshkovo

Forwarder Grainrus Agro, LLC

Certificate number (certificate of quality) _____

Number of wagon/ car; vessel name (barge) _____

Number and date of the bill of lading _____ Batch weight _____ kg

Number of places (or in bulk) in bulk

Destination station (port, pier) _____

Consignee _____

The sample was taken for quality control for compliance with the requirements of GOST (TS), and the terms of the agreement of purchase and sale/ contract, by indicators: GOST 13634-90

Type of sample packaging _____

Condition normal Colour proper Odour Peculiar to the grain

Uniformity Uniformity

Pest infestation: not detected

Condition of the wagon/ car/ vessel (barge)/ container _____

Sample taken by quality manager Mitrokhina Yu. I.
